

The International Academy
of Human Reproduction

IAHR 2025, Hyderabad
Workshop Program
18th July 2025 | Hall A - Satavahana | Infertility Workshop

Time	Topic	Speaker
08:30 Onwards	Registrations	
09:30 - 10:00	Session 1: Concept Setting	
09:30 - 09:45	The Art of Hysteroscopy	
09:45 - 10:00	Biomarkers in Infertility	
10:00 - 12:00	Session 2: Applied Endocrinology	
10:00 - 10:20	When the COS response is Unexpected	
10:20 - 10:40	PPOS: Is it a viable alternative to GnRH Antagonist Stimulation	
10:40 - 11:00	Key Performance Indicators (KPIs) in IOS in ART - Is it time to Strategise?	
11:00 - 11:15	Immuno Modulation in ART	
11:15 - 12:00	Panel Discussion: Decoding the Endometrium: Unravelling the black box	
12:00 - 13:00	Session 3: Demystifying Dilemmas through Case Discussions	
12:00 - 12:20	Dialogue 1: Uterine Factor	
12:20 - 12:40	Dialogue 2 : Pelvic Factor	
12:40 - 13:00	Endometrial Receptivity and Implantation	
13:00 - 13:30	Session 4: Male Infertility	
13:00 - 13:15	TESA or Ejaculate: Which sperm to select in OATs	
13:15 - 13:30	Varicocelelectomy in the Era of ART	
13:30 - 14:00	LUNCH	
14:00 - 14:40	Session 5: Reprogenetics	
14:00 - 14:20	Handling the Dilemmas of Mosaic Embryos	
14:20 - 14:40	AI in Embryology: Enhancing IVF Success through Automation	
14:40 - 15:30	Session 6: Consensus - PCOS	
14:40 - 15:00	International Consensus on PCOS	
15:00 - 15:30	Keynote Address: Central Effects of Oral Contraceptives: The Importance of Individual Vulnerabilities	
15:30 - 17:30	Session 7:	
15:30 - 15:45	Redefining PCOS: Guidelines	
15:45 - 16:00	What do we need to form a good Blastocyst	
16:00 - 16:15	Single Step vs Sequential Media - The game changer element in the culture system	
16:15 - 16:30	IVF Add-ons: Pros and Cons	
16:30 - 16:45	Gonadotropins in ART - Evolution over the years	
16:45 - 17:30	Panel Discussion: Practice Essentials to Improve Outcomes in IVF	
18:00 - 19:00	Meet the Experts	
	DHEERA PUBLIC FORUM	
	DINNER	

18th July 2025 Hall B - Kakatiya Surgical Workshop		
Time	Topic	Speaker
Registrations		
09:30 - 10:00	SESSION 1: Uterine Transplant - Expertise	
09:30 - 10:00	Changing Concepts in Pelvic Anatomy - Lessons from Uterine Transplant	
10:00 - 11:00	SESSION 2: Endoscopy in Infertility	
10:00 - 10:30	Endometrioma & Adenomyoma	
10:30 - 11:00	Myoma & Endometrial Polyp	
11:00 - 12:00	SESSION 3: An Update	
11:00 - 11:30	Fertility Preserving Surgeries	
11:30 - 12:00	Changing role of Laparoscopy in Cervical and Endometrial Cancer	
12:00 - 13:00	SESSION 4: Basics to Beyond	
12:00 - 12:30	Hysterectomy for Benign Disease - Which route?	
12:30 - 13:00	Mullerian Anomalies - Role of Endoscopy	
13:00 - 13:45	SESSION 5: Panel Discussion	
13:00 - 13:45	Safe Surgical Techniques in Endoscopy	
13:45 - 14:00	LUNCH BREAK	
18th July 2025 Hall B - Kakatiya Fetal Medicine Workshop		
Time	Topic	Speaker
14:00 - 15:00	SESSION 1: Learning with Experts	
14:00 - 14:20	Non-immune Hydrops Fetalis	
14:20 - 14:40	Multiple Pregnancy Complications	
14:40 - 15:00	Understanding and Interpretation of Dopplers in FGR Management	
15:00 - 16:00	SESSION 2: Melange	
15:00 - 15:15	Counselling for Fetal Anomalies	
15:15 - 15:30	Fetal Therapy - To do or not to do	
15:30 - 15:45	Cell free DNA - An Overview	
15:45 - 16:00	Update on Fetal Aneuploidy Screening	
16:00 - 17:00	SESSION 3: Clinical Applications	
16:00 - 16:15	Fetal Growth Restriction: Preventing Stillbirth	
16:15 - 16:30	Placental Abnormalities on USG	
16:30 - 16:45	Emerging Techniques - Telemedicine and Advanced Imaging	
16:45 - 17:00	Genomic and Molecular testing - When and How?	
17:00 - 18:00	SESSION 4: Panel Discussion	
17:00 - 18:00	Understanding Screen Positives - From Screening to Certainty	
18:00 - 19:00	Meet the Experts (Hall A)	
	DHEERA PUBLIC FORUM	
	DINNER	

18th July 2025 Hall C - Pallava Regenerative & Functional Gynaecology Workshop		
Time	Topic	Speaker
	Registrations	
09:30 - 10:00	SESSION 1: Redesigning the Tissues	
09:30 - 09:45	Introduction to Rejuvenative Medicine in Gynaecology	
09:45 - 10:00	Sexual Enhancement Procedures	
10:00 - 11:00	SESSION 2: Challenges and Solutions	
10:00 - 10:15	Recent Developments in Reproductive Regeneration	
10:15 - 10:30	Energy-based devices in Aesthetic Medicine	
10:30 - 10:45	Psychological impact and informed consent in Aesthetic Gynaecology	
10:45 - 11:00	Sexuality after Gynec Surgeries	
11:00 - 12:00	SESSION 3: Non-invasive Management - Handle with Care	
11:00 - 11:15	Genitourinary Syndrome	
11:15 - 11:30	Recurrent Vaginal Infections & Fungal Infections	
11:30 - 12:00	SESSION 4: Newer Concepts by Experts	
11:30 - 11:45	Neovagina	
11:45 - 12:00	Clitoroplasty	
12:00 - 13:00	SESSION 5: Cosmetic	
12:00 - 12:30	What's New in Cosmetic, Aesthetic, Regenerative Gynaecology	
12:30 - 12:45	How to choose a non-ablative Laser, Different types of Energy-based devices	
12:45 - 13:00	Magic of Laser light in Women's Health, how to make results effective	
13:00 - 13:30	SESSION 6:	
13:00 - 13:15	Vaginismus	
13:15 - 13:30	Interaction	
13:30 - 14:00	LUNCH BREAK	
14:00 - 15:00	SESSION 7: Body Contouring	
14:00 - 14:15	Vaginal Rejuvenation Reimagined: Evidence-Based Regenerative Therapies Beyond Aesthetics	
14:15 - 14:30	Body Contouring	
14:30 - 15:00	Cosmetic Concerns in PCOS	
15:00 - 16:00	SESSION 8: Devices and Techniques	
15:00 - 15:20	Radio Frequency and Non-surgical Solution for Pelvic Floor Strengthening	
15:20 - 15:35	Principles of High Energy Focused Electromagnetic CHAIR	
15:35 - 15:50	Functional Vulvo Vaginal Disorders - Non-Invasive Techniques and Technology	
15:50 - 16:00	Discussion	
16:00 - 17:00	SESSION 9 : Restoration - Back to Normalcy	
16:00 - 16:15	G- Shot and O - Shot Augmentation	
16:15 - 16:30	Stretch Marks & Scar Management	
16:30 - 16:45	Pelvic Floor Rehabilitation Strategies	
16:45 - 17:00	Interaction	
17:00 - 18:00	SESSION 10 : Panel Discussion	
17:00 - 18:00	PRP & Stem Cell Therapy in Gynaecological Regenerative Medicine	
18:00 - 19:00	Meet the Experts (Hall A)	
	DHEERA PUBLIC FORUM	
	DINNER
